FEATURE AT A GLANCE

Rich, room-filling sound
Two 2.5-inch drivers per speakers and 10 watts of peak power deliver rich, balanced stereo sound with added deep bass.

Fingertip control
Volume and power controls, a headphone jack and auxiliary input are conveniently located on the front panel for quick access.

Bass control
With an integrated tone control wheel, you can easily dial the bass up or down to the perfect level.
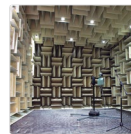

Double device listening
Both a 3.5mm audio line in and auxiliary input enable you to connect two devices at the same time—like your smartphone plus tablet or laptop—and easily switch between them.

Handy headphone jack
You can plug in your headphones quickly to listen to music and movies in total privacy.

High quality design and acoustics
These solidly crafted speakers are built to last with high-quality acoustics, tested and tuned at Logitech's state-of-the-art audio labs.

WORKS WITH

Audio devices with 3.5mm output including: Windows® and Mac® OS computers, smartphones, tablets, MP3 players

WHAT'S IN THE BOX?

- 2 speakers
- Power supply
- Documentation
- 2-year limited hardware warranty

Product description

100-word description

With 10 watts of peak power, these modern-looking Logitech® z200 Multimedia Speakers offer rich, clear-quality sound. Two drivers per satellite generate balanced stereo and clear acoustics for a room-filling sound, whether you are listening to music in the bedroom, study or dining room. Audio adjustment is super-convenient, with integrated volume and power controls on the front of the speakers, while you can tweak bass to your taste by adjusting the bass tone control wheel at the side. The z200 provides a headphone plug-in to connect your headphones and listen to music in total privacy.

50-word description

With 10 watts of peak power, Logitech® z200 Multimedia Speakers offer two-drivers-per-satellite to generate rich, balanced stereo and clear acoustics for a room-filling sound. Audio adjustment is super-convenient, with integrated volume and power controls and quick and easy access to a tone control wheel which provides added deep bass.

25-word description
