

# LOGITECH® HD PRO WEBCAM C920

## Hi-Def Yourself.

**Full HD 1080p video that's faster, smoother and works on more computers.**

Say it bigger. Say it better. Full HD 1080p calls and clips in widescreen let friends and family see you in the sharpest, smoothest video quality available. Video call, vlog, and share your videos with ease. Plus it works seamlessly with your favorite applications. The term 'webcam' doesn't quite do it justice.

### FEATURE AT A GLANCE

#### Full HD 1080p widescreen video calls on Skype®

- Sharpest video-call picture available
- Easy HD 720p video calls on Yahoo!® Messenger and most other IM clients¹

#### Focus on the details that matter

- Premium Carl Zeiss optics, smooth 20-step autofocus and advanced auto light correction
- Dual noise-cancelling mics—you're heard in crystal-clear HD quality stereo sound

#### H.264 for faster, smoother HD video

- H.264 HD compression for faster, smoother HD experiences using less bandwidth²
- 1-click HD uploads to Facebook™, YouTube™ and Twitter™; snap pro-quality 15MP photos

#### Connect face-to-face on your HDTV

- Make video calls from the couch on your living room TV
- Connects easily to your HDTV—simply plug in an HDMI cable from your laptop to your TV (requires an HDTV with HDMI port)

### WORKS WITH

Windows® Vista® and Windows® 7, (32-bit or 64-bit) or Windows® 8

#### For HD 1080p video recording:

- 2.4 GHz Intel® Core 2 Duo processor
- 2 GB RAM or more
- Hard drive space for recorded videos
- USB 2.0 port

#### For full HD 1080p and 720p video calling:

Minimum upload and download at least a 1 Mbps connection for 720p video calling, and 2 Mbps for 1080p.

(Requirements for H.264 and MJPEG formats vary)

Visit your preferred video calling provider's website for information on video-calling software requirements.

#### Logitech webcam software⁴:

- Video recording: up to Full HD 1080p video capture¹
- Photo capture: Up to 15 megapixels (software enhanced)
- 1-click Facebook®, Twitter™ and YouTube™ HD upload (registration required)

### WHAT'S IN THE BOX?

- Webcam with 6-foot cable
- User documentation
- Tripod-ready base
- 2-year limited hardware warranty
