- Direct-drive motor
- Solid-state electronics
- Dimensions: 7" wide x 15" tall x 8" deep
- Actual weight: 7 lbs
- Shipping Weight: 11 lbs

Overview

The Total Blender Classic® is the all-in-one appliance that makes smoothies, fresh juice, ice cream, milk shakes, cappuccinos, margaritas, soups, sauces, bread dough, dressings, salsas and more!

It replaces up to 9 other appliances with 1 fast, easy-to-use machine.

This package includes the new precision "tuned 4" blade in the large, nearly 3-quart, BPA-free jar. The new large blade and large jar combination powers through tougher blending tasks and larger recipes with ease—and in less time.

Plenty of Power

Tired of your blender not being able to crush ice? The Total Blender Classic has so much power (1560 watts), it turns ice to snow and actually comes with an Ice-Crushing Guarantee.

And now with the new precision-tuned 4" blade, you can make larger servings and blend whole foods with the added power of the larger blade.
