- Environment: suitable for damp locations
- Length: 5 in, 127 mm
- Diameter: 4.8 in, 122 mm
- Weight: 8.32 oz, 236 g

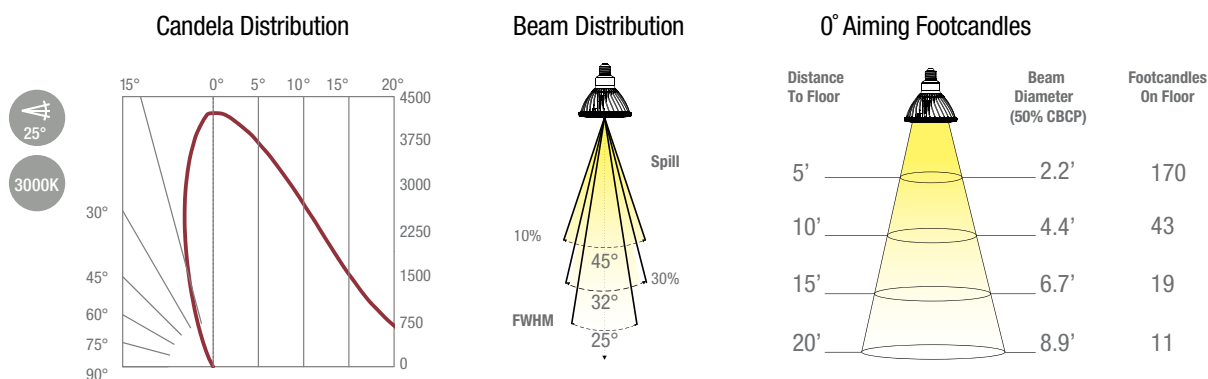

Featuring the latest engineering and design innovations—including proprietary CrimpFin™ Heatsink Design—the 3M™ LED advanced light PAR-38 requires just 15 fixed watts to match the lumens of 100W PAR incandescents. These dimmable, ultra-light bulbs come in multiple color temperatures and are designed to last 50,000 hours. They're ideal for retail, hospitality, furniture, museum and any other commercial application where long bulb life and energy savings are important.
