Failure to follow these warnings and instructions could result in serious injury or death.

- Read all instructions before assembling unit.

**KEEP INSTRUCTIONS FOR FUTURE USE.**

**DO NOT USE THIS UNIT IF THE INSTRUCTIONS CANNOT BE STRICTLY FOLLOWED.**

- Before each usage or assembly, inspect unit for damaged hardware, loose joints, missing parts or sharp edges. NEVER use this product if there are any loose or missing fasteners, loose joints, broken parts, or torn mesh/fabric. Check before assembly and periodically during use. Contact Delta Children’s Products Customer Service Department at 1-800-377-3777 (8:00am ~ 4:30pm PST) for replacement parts, repair or instructions.

- **DO NOT** substitute parts.

- **FALL HAZARD**—To help prevent falls, **DO NOT** use this product when the infant begins to push up on hands and knees or has reached manufacturer’s recommended maximum weight of 15lbs. (6.8kg), whichever comes first.

- Use bassinet with only one child at a time.

- Strings can cause strangulation! **DO NOT** place items with a string around a child’s neck, such as hood strings or pacifier cords. **DO NOT** suspend strings over a product or attach strings to toys.

- **SUFFOCATION HAZARD:** Infants can suffocate:
  - In gaps between an extra pad and side of the bassinet/cradle.
  - On soft bedding.
  - **NEVER** add a mattress, pillow, comforter or padding. Use ONLY the pad provided by the manufacturer.
  - If a sheet is used with the pad, use only the one provided by the manufacturer or one specifically designed to fit the dimensions of the bassinet/cradle.
  - To reduce the risk of SIDS, pediatricians recommend healthy infants be placed on their back to sleep, unless otherwise advised by your physician.
  - Never use plastic shipping bags or other plastic film as a mattress covers not sold and intended for that purpose. They can cause suffocation.

- **DO NOT** place bassinet near a window where cords from blinds or drapes may strangle a child. Child may fall out of window.

- **DO NOT** place cords, straps or similar items that could become wound around a child’s neck in or near the bassinet.

**CARE AND MAINTENANCE**

Check bassinet for worn parts, torn material or stitching periodically. Replace or repair the parts as needed. Use Delta replacement parts.

Customer Service Tel. (800) 377-3777 www.DeltaChildrensProducts.com
Note: You may need the help of another adult to help steady all parts for assembly.

- Place a base on a flat surface with the slots facing up.
- Fit a cross tube into each slot. Push down on each tube to be sure it is in place.

- Position the storage basket so that the pockets face away from you.
- Slide the storage basket fabric sleeves onto the cross tubes.
• Fill the other base slots onto the cross tubes. Push on the base near each cross tube to be sure it is in place.

• Insert an M6 x 4cm screw through the hole in each base, the ends of the legs and into the end of each cross tube.

Hint: You may need to align the holes of all three parts to properly insert the screw.

• Tighten the screw with the Phillips screwdriver.

• Repeat this procedure to fasten the legs, bases and cross tubes on the other side of the assembly.
• Turn the assembly upright.
• Check to be sure the legs are secure. While gently holding the base down, pull up on the legs. They should remain assembled to the bases.

Note: Do not remove the foam around top of frame.

• Rotate the bases of the frame down.
• Place the frame onto the top of the legs. Align the holes in the bases of the frame with the holes in the legs.

Customer Service  Tel. (800) 377-3777

www.DeltaChildrensProducts.com
• While holding an M6 lock nut in place with the wrench, completely tighten a screw with the Phillips screwdriver.
• Repeat this procedure tighten the other three screws.

Check to be sure the frame is secure. While gently holding a base down, pull up on the frame. It should remain attached to the legs.

• Place the mattress support into the frame.
• Check to make sure battery compartment and male snap faces down. **Note:** Make sure music module holes and music module battery compartment are on the same side.

• Align the holes in the mattress support with the holes in the frame.
• Insert two M5 x 2.6cm screws through the mattress support and into the frame.
Bassinet Frame Assembly

14
• Attached a M5 lock nut to the end of the screw. Make sure the rounded side of the lock nut faces down. Hand-tighten the lock nuts onto the screws.

15
• While holding an M5 lock nut in place with a wrench, completely tighten screw with a Phillips screwdriver.
• Repeat this procedure to tighten the other screws.

Battery Safety Information

In exceptional circumstances, batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Do not mix old and new batteries or batteries of different types: Alkaline, standard (carbon zinc) or rechargeable (nickel-cadmium).
- Insert batteries as indicated inside battery compartment.
- Remove batteries during long periods of non-use. Always remove exhausted batteries from the product. Dispose of batteries safely. Do not dispose of product in a fire. The batteries inside may explode or leak.
- Never short-circuit the battery terminals.
- Use only batteries of the same or equivalent type as recommended.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the product before charging.
- If removable, rechargeable batteries are used, they are only to be charged under adult supervision.
