ENJOY...

BETTER TASTING FOOD
The griddle top is going to give you more control in how you cook and what you cook. Use a variety of oils, butters, and seasonings to achieve a taste that can only be done using a Blackstone griddle.

4 Independently Controlled Cooking Zones (as shown above)

LESS TIME COOKING

With four independently controlled cooking zones and a powerful 60,000 BTUs...you will spend less time cooking and more time with your friends and family.

A BETTER BUILT GRIDDLE

With features like these...7 gauge (3/16"), thick rolled steel griddle top, long life Stainless Steel tube burners, two industrial strength wheels, your griddle was built to last and built to cook some serious food!
