

## Connecting brings out your TV's full potential!

You'll have access to thousands of streaming channels\*.

### Make any night a movie night

Choose from over 500,000+ movies and TV episodes across major streaming movie services like Netflix, Vudu, Hulu and more. Choose from free, rental, and subscription services.

### Stream sports on the big screen

Choose from over 140 sports channels like ESPN, NBC Sports, NBA, NFL, MLB, WWE, and more.

\* Payment required for some channels and content. 4K and HDR require 4K and HDR content, is not available on all channels and is subject to channel provider bandwidth requirements. Channels are subject to change and vary by region.  
\* Cancel before the end of the free trial periods to avoid recurring monthly subscription fees. Credit card may be required.

### Explore your passions

In addition to popular streaming channels like HBO NOW, SHOWTIME, PBS Kids, and NBC, your Roku TV also offers hundreds of streaming channels to fuel your passions – including fitness, cooking, religion, outdoors, international programming, and much more.

Set up your TV & Power up

1 & 2

Step 1

Remove your TV from the box  
Be careful, it's heavy!

To mount on a wall  
Follow the instructions that come with the wall mount.  
Wall mount sold separately.

To use the stand  

A

To prevent damage to the screen, carefully place your TV on a soft, cushioned surface.

B

Put the stands into the TV, align the stands with the screw holes located on the TV.

C

Secure the stands to the TV with four (4) screws.

  
NOTE: Actual placement of TV ports may vary by model.

Step 2

In this step, we'll make sure all systems are GO!

4 & 5

Step 4

Tip: Have your wireless network name and password handy.

Follow the on-screen instructions on your Roku TV.

If you aren't ready to connect your TV to a wireless network, you can still use it as a regular TV.

Step 5 (Optional)

Watching local broadcast TV? How do you scan for channels?

If you connected your TV to an antenna or cable wall jack (no box):

1) When the setup wizard is complete, select the ANTENNA icon  from the home screen.

2) Follow the on-screen instructions.

3) Whenever you want to watch local broadcast TV, select ANTENNA icon .

4) Connect a USB memory stick to enjoy photos, music, and movies, or to enable Live TV Pause. Live TV Pause is only available on the Antenna input of your Roku TV and requires a dedicated USB 2.0 compatible flash drive with at least 16 GB of storage to record video. The Live TV Pause feature requires a Roku account and active internet connection.

Activate your smart TV

6

Activate your Roku TV using your computer, smartphone, or tablet to link to a Roku account. You need a Roku account to activate your Roku TV and access entertainment across thousands of streaming channels.

Note: Roku doesn't charge for activation support – beware of scams.

Roku accounts are free and while a valid credit card number is not required to create a Roku account, saving your credit card information makes renting and purchasing entertainment from the Roku Channel Store fast and convenient.

Once connected to your account, your TV will automatically update with the latest software, and you can start streaming immediately.

And setup is done...congratulations!

Continue using the remote to personalize your home screen and channel line-up, stream movies, and so much more. If you have an antenna connected, just click the tuner tile to watch broadcast TV channels. The fun has just begun!
