### Key Features & Benefits

#### Third Level Rack

Take advantage of 35% more rack space\*\* to load more dishes and get extra room for hard to fit items.

#### TotalCoverage Spray Arm

Cleans with twice the jets† for more coverage while a smarter sequence of spray patterns from multiple nozzles hits your dishes with increased water pressure.

#### Sensor Cycle

Automatically get the right wash and dry settings for each load with two sensors that measure temperature, soil level and load size during prewash and the wash cycle.

\*Per IEC standards. \*\*Compared to Whirlpool® dishwashers without a third level rack. †Compared to Whirlpool® dishwashers without TotalCoverage spray arm. NOTE: Dimensions are for planning purposes only. For complete details, see Installation Instructions packed with product. Specifications subject to change without notice.
