

Reasons the Lease Program is **The One**

Quality

Some things just go together. Like our refills and dispensers. It's the only way our relationship can work.

10 Year Warranty*

The warranty provided cost nothing extra. Think of it as the protection of a pre-nupt.

No Cost Customer Support

Technical support whenever you need it. A GPXpress® representative is the BFF who always answers the phone at 1-866-HELLO-GP (435-5647).

Lease Termination

Don't let the word "lease" be the reason why. With no annual fee, this isn't like an apartment or car lease. But, if you must, you can let us down easy with 30 days' notice. We just want our stuff back if it's really over.

How We Make it Happen:

Your autograph

A signed lease and it's official.
No witness needed.

When you know, you know.
Here's to the honeymoon phase lasting forever.
