Flex Duo™ Oven

22K BTU Burner

Available Color:

Stainless Steel

Signature Features

DUAL-FUEL RANGE

- Gas cooktop for precision, electric oven for faster and more even cooking.
- Samsung's first combination gas cooktop and electric oven.¹
- True Convection electric oven heats evenly for superior baking, warming and broiling.
- Gas burners offer even, precise heating.

¹Requires both a gas line and a 220V electric line.

FLEX DUO™ OVEN

- Cooks two dishes at two different temperatures simultaneously.
- Removable Smart Divider splits oven into two separate cavities with independent temperature controls.
- Smaller oven for everyday use; larger oven for holiday feasts.
- Virtually no transfer of smell or taste from dish to dish.

22K BTU TRUE DUAL POWER BURNER

- The most powerful and precise heating available.²
- Flexible burner offers two independent heating elements with power ranging from 22K to 5K BTU.
- Quickly goes from a high heat to a true simmer for intense and even cooking.
- Cook food faster with 22K BTU.

²10% stronger than any competitor model in its class; best in market vs. 20K BTU competitors.

DUAL DOOR™

- Access two ovens at once with the unique hinged design.
- Choose one door or two with just the push of a button.
- No more wasted energy; use only the oven space you need.

5.8 cu. ft. Slide-in, Dual-Fuel Range with Flex Duo™ Door

INSTALLING YOUR RANGE

30" minimum clearance between the top of the cooking surface and the bottom of an unprotected wood or metal cabinet; or 24" minimum when the bottom of the wood or metal cabinet is protected by not less than 1/4" flame-retardant millboard covered with not less than no.28 MSG sheet steel, 0.015" stainless steel, 0.024" aluminum or 0.020" copper.

** 18" minimum between the countertop and the adjacent cabinet bottom.

IMPORTANT: To eliminate the risk of burns or fire caused by reaching over heated surface units, cabinet storage space located above the surface units should be avoided. If cabinet storage is to be provided, the risk can be reduced by installing a range hood that projects horizontally a minimum of 5" beyond the bottom of the cabinets.

Dimensions

Glass cooktop overlaps and sits on top of your kitchen countertop to give a built-in look. Cut out space for the range is 29 15/16.

Total Power (BTU)

61,000 BTU

Power Source

120V/60Hz

SAMSUNG

*Samsung received the highest numerical score for ranges, cooktops and ovens in the proprietary J.D. Power 2014 Kitchen Appliance StudySM. Study based on 15,380 total responses measuring 17 ranges, cooktops and oven brands and measures opinions of consumers about their new appliance purchased in the past 24 months. Proprietary study results are based on experiences and perceptions of consumers surveyed in January-March 2014. Your experiences may vary. Visit jdpower.com.
