McAfee® Internet Security combines award-winning cloud-based antivirus and intelligent web protection together in one package to protect all your computers and mobile devices—now backed by our 100% Guarantee: a McAfee expert will remove the virus, or your money back! Additional terms apply.*

**Top Benefits of McAfee® Internet Security:**
- Easy-to-use security defends against viruses, ransomware and other online threats
- Browse confidently and steer clear of online dangers like malware, phishing and malicious downloads
- Easily secure and manage your passwords with Password Manager
- Includes our 100% Guarantee: Viruses removed or your money back*

**Award-Winning Antivirus**
Defend against viruses including ransomware and online threats with both cloud-based online and offline protection.

**McAfee® WebAdvisor**
Warns you about risky websites and helps prevent dangerous downloads and phishing attacks.

**PC Boost**
Increases the performance of your computer’s browser and apps, allowing you to spend more time on what matters.

**Password Manager**
Store, auto-fill and even generate unique passwords with Password Manager.

**Anti-Spam**
Say no to inbox-clogging junk mail with our built-in anti-spam filter for Microsoft® Outlook.

**FREE Customer Support**
Get free customer support via phone, chat or online for the life of your subscription.

**Virus Protection Pledge**
100% Guarantee: a McAfee expert will remove the virus, or your money back. Requires enrollment in auto-renewal service; additional terms apply.*

These useful tools are also included in your subscription:

McAfee® Shredder™ Tool
Protects your identity and privacy by permanently deleting important files from your PC—ideal for tax documents, financial information and other personal files.

Vulnerability Scanner
Ensures your Windows software and other PC applications are up-to-date.

McAfee® QuickClean™ Tool
Helps keep your PC running smoothly by removing cookies and temporary files that track you online.

License applies to personal use on supported devices you own during your subscription; see system requirements for details. Some features require additional configuration and/or hardware. To find out if your device is supported, go to: www.mcafee.com/SystemRequirements

Virus Protection Pledge (VPP): To be eligible for VPP, you must be actively enrolled in our auto-renewal service with a qualifying product installed. If we cannot remove a virus from a device we support (see VPP System Requirements), we’ll refund for the current term of your subscription the actual amount you paid for the qualifying product, or the value of the qualifying product if it was included in a bundle (see terms of service for details), less any discounts, rebates, refunds, shipping, handling or taxes. The refund does not apply to any damage or loss caused by a virus, we strongly recommend that you always backup your data to prevent data loss. Refer to our terms of service for details: mcafee.com/pledge.
